Sir,

Assignment - Land - Puttur Taluk - Kadaba village S. No. 172/1C - 0.72 cents - Parish Union of the Diocese of Mangalore - Sanction solicited.

The Secretary, Parish Union of the Diocese of Mangalore has applied for S.No. 172/1C of Kadaba village measuring 72 cents. The plot is non-kumaki, without any improvements or tree-growth, and is beyond a chain from the centre of the Local Fund Road leading from Kadaba to Bisle Ghaut. The adjoining plots are reported to belong to the Parish Union. There are no contending applicants and there is no objection from any one to its assignment to the applicant. The plot also adjoins the Church lands and is reported to be not useful to any one else. I therefore recommend that the Board may be pleased to move the Government to accord sanction for the assignment of the plot to the Parish Union of the Diocese of Mangalore.

Note

Note

The area of S.N. 172/1 is 1.07 acres according to Col. 9 of the subdivision statement at p. 17 of (K) the extent of subdivision S.N. 172/1-e being 7.2 each. According to Col. 5, S.N. 172/1 measures 1.47 acres. As the difference exceeds the 5 per cent limit, 1.07 acres may be taken as the correct area of S.No. 172/1. There is no reference to this S.N. in the Settlement Register of 05. Presumably the S.N. relates to a field ~~the extent of Survey~~ subsequently sub-divided.

Ask C.W. to reconcile the discrepancy.

Probably. S.No 172/1 seems to have been formed from old S.No 62 (road) & 172/2 seems to have been added to the village from the adj. V.S. See village plan! We may ascertain this & explain also. P.M.

2. S.N. 172/2 seems to have been sub-divided from S.N. 1 and not added from the adjoining village. The triangular p

in the western extremity of S.N. 67 seems to comprise S.N. 114/1 - vide Khandan B in the village map, plan attached to the settlement report and the eye sketch and the grey map at pp. 3 and 15 of Ref (K).
